# The Concept Group

```
graph TD; A[The Concept Group] --> B[rosabon financial services]; A --> C[percy atkins]; A --> D[concept nova];
```

The diagram illustrates the organizational structure of The Concept Group. At the top, a blue parallelogram contains the text "The Concept Group". Three lines descend from this box: one to the left, one straight down, and one to the right. Each line terminates in a horizontal segment that connects to a company logo. The logo on the left is for "rosabon financial services", the one in the center is for "percy atkins", and the one on the right is for "concept nova". Each logo consists of a 3x3 grid of squares, with some squares colored blue and others grey. The entire chart is set against a background of a large, light grey circle.

Internal Operations

A low-angle, upward-looking photograph of several modern skyscrapers with glass facades, creating a sense of height and architectural scale. The buildings are arranged in a way that they seem to converge towards the top center of the frame. The sky is a pale, overcast blue. A solid blue horizontal band cuts across the middle of the image, serving as a background for the text.
